OVERVIEW

Unique and spacious 2-bedroom loft on a principal floor, fully furnished and ready to move in.

This amazing loft apartment of 204 m² with a useable area of 178 m² is a large property with good cross ventilation, access to the street at the front and views of a bright courtyard to the rear. It has a functional layout, with a sleeping area separated from the living room and kitchen. The apartment has been carefully renovated, maintaining a bohemian and artistic atmosphere, with various recovered frescoes and preserved tiles, wooden beams, original doors, lattice work and other original details related to the history of the apartment.

The idea was to create spacious but warm rooms. The decoration includes just the essential furniture in order to enjoy wide, open and clear spaces, avoiding overloading.

Entering the property, we find a huge hall that divides the apartment into day and night areas. On the right, we find the two bedrooms, with an adjoining full bathroom and storage area. On the left, a corridor leads to the day area. We find a second complete bathroom, and a handy laundry and ironing room.

Then we come to a vast room, divided into the living room and the semi-open kitchen. The kitchen has a table for breakfast or everyday dining. Leaving this area, we find a large dining room with huge windows overlooking the street and lots of light.
