OVERVIEW

Modern apartment to rent in the centrally located Eixample Left district of Barcelona City.

This modern apartment located in the central district of the Eixample Left and very close to the prestigious Hospital Clinic of Barcelona, is the ideal property for a family.

The property is located in a beautiful typical corner building of the early twentieth century. The building's lobby, all marble, with traditional wooden lift, takes us back to past times.

However, once inside the property we find a wonderful, very modern apartment which has been renovated and is one hundred percent functional, neatly concealing all of the necessary conveniences of a modern home.

An open kitchen in the centre creates a flowing layout for the rest of the apartment. A large living room with 2 balconies that provide lots of light, a double bedroom also with balcony and en suite bathroom, 2 further single bedrooms with two single beds each, and another bathroom are the rooms that make up this splendid property.

From the large communal terrace of the building where there is a storage room for this property, you can see magnificent views of the city of Barcelona.
