OVERVIEW

3-bedroom apartment for rent in a stately building on Paseo Colón, in front of Barcelona Port.

This 143 m² apartment is found on the first floor of a stately 1850's building with very high ceilings, typical of the Gòtic neighbourhood, situated directly in front of the newly re-vamped Port Vell, on Passeig Colón.

The living area of the property consists of a living room connected to a spacious, modern kitchen diner with a separate utility area. The apartment offers 3 further rooms, 2 of which are used as bedrooms and the other as a multipurpose space to use as the new tenant sees fit. The master bedroom includes a dressing room and a balcony with views of the port. Another balcony is found in the living room

The property is presented in very good condition with period features such as the carpentry and ceiling mouldings which add a touch of historic charm to the otherwise modern apartment, with its contemporary design furniture.

An ideal home, in great condition, with sea views and access to the beach and city centre in just 5 minutes.
