OVERVIEW

Superb, high quality apartment for rent in Barcelona's Gothic Quarter. Renovated with state-of-the-art finishes and private terrace.

Located just off Paseo de Colon and Via Layetana, this 2-bedroom apartment has been renovated to a very high standard. This combined with its proximity to Port Vell, Santa María del Mar, and the Ramblas makes it a fantastic Barcelona property.

The apartment has 90 m² with a 16 m² terrace and is in one of the oldest parts of the Gothic quarter amongst the historical buildings of Ciutat Vella and the original Roman wall. The building features a Dragon relief on its façade and its origins date back to 1736. The building is entered via a stone archway and you enter a lovely staircase patio.

The apartment has been exquisitely renovated with beautiful stonework exposing the different stages of the building's development through the years. There are original exposed vaults, beamed ceilings and brick walls in the foyer and bathrooms.

The interior embraces the old and the new, balancing the restoration of the original doors, windows and floors with all the requirements for a contemporary living environment including double glazing, air conditioning and wireless internet connection. Special emphasis was given to the selection of STARK designed furniture in the bathrooms, a SMEG kitchen and AGABECOV lighting.
