### OVERVIEW

## Sophisticated, spacious 4-bedroom, 2-bathroom apartment with several balconies and a very stylish renovation, located between the Gracia and Eixample Right neighbourhoods of Barcelona City.

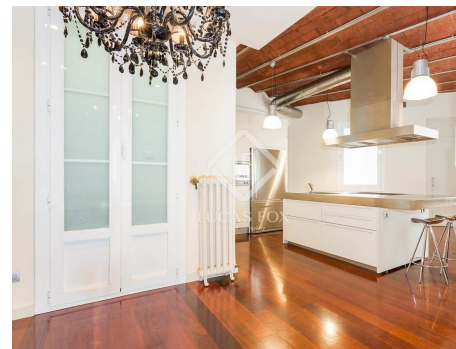

This gorgeous renovated apartment has a built area of 220 m<sup>2</sup> and is presented in excellent condition. It is a spacious, south-facing property with several balconies, receiving direct natural light in every room. It is conveniently located near close to public transport, schools, restaurants, Diagonal and Passeig Sant Juan, making it ideal for families.

We find this apartment on the third floor (fourth in terms of real height) on the corner of a stately building that has been fully renovated with excellent design and materials and has a lift.

On entering the property, a pleasant entrance hall takes us through to the impressive 60 m<sup>2</sup> living room with a floor-to ceiling and wall-to-wall bookshelf. The fabulous professional stainless steel kitchen with Italian furnishings and taps measures 40 m<sup>2</sup> and there are a total of 4 bedrooms. The master bedroom has its own bathroom and a very elegant dressing room and the other 3 doubles have access to a shared bathroom. One of the bathrooms features a designer shower while the other has a bathtub.

The renovation of the property was designed by a well known architect with maximum quality finishes such as the shiny topical wood flooring and special features like the 3-metre high ceilings in the living room with vaulting, the exposed brickwork and sliding doors to divide or open up spaces as required. It benefits from air conditioning and heating with radiators and is available to rent unfurnished but equipped with appliances. The property will be presented freshly painted.

A very stylish 4-bedroom apartment in an excellent location.
