OVERVIEW

Beautifully renovated and furnished turn-of-the-century apartment in a stately building in a central area of the Eixample Left district.

The apartment measures 85 m² and has 2 bedrooms and 1 bathroom. The master bedroom is a sunny, exterior-facing double that is accessed from the living room; it has a large double wardrobe. This bedroom has an en-suite bathroom with a large shower, a beautiful and practical sink unit and a window overlooking the patio which provides plenty of natural light. As this is the only bathroom in the apartment, it is also accessible from the hallway via a different door.

The second bedroom is at the entrance of the apartment. It is a single with a window overlooking the patio, plenty of light and a little wardrobe. The distance between the 2 bedrooms means that each enjoys plenty of privacy.

The kitchen is equipped and has appliances such as a washing machine and dryer as well as a small dining area where you can have your coffee in the morning. The kitchen is square and bright and has a window to the outside.

The rectangular living room has a large window with a balcony facing the street, a nice sofa, a dining table and a very cosy atmosphere.

The apartment has several period features such as the stained-glass windows in the corridor, the mouldings on the ceiling and the magnificent mosaic floor tiles. It is rented furnished, with a practical and modern choice of furniture that complements the different spaces. It also has air conditioning and gas heating. It is presented in excellent condition.

A beautiful and bright home, in the heart of the city. Ideal for a couple
