Historic, luxury property for sale in Dénia old town

Luxurious historic house with a large interior courtyard, for sale in Dénia Old Town.

This historic house dating back to the 19th century is located on a pedestrian street in Dénia's old town; a truly iconic property.

The undeniably impressive interior design is the result of the ideas and work of the current owners who are internationally renowned in the art world. They have converted the house into a work of art, each space and corner unique. The property boasts high ceilings and a beautiful interior courtyard, perfect for disconnecting and relaxing in the middle of the city's old town.

The house is divided into a ground floor and first floor; it is possible to access the property from each of the floors. A porch leads to the entrance on the ground floor which leads to the living area, 2 bedrooms and the lovely courtyard. The courtyard has many different types of plants and trees including bamboo as well as an old carob tree.

A large open space on the first floor is divided into a kitchen and a living area. There are also 2 double bedrooms with a balcony and a toilet.

The south facing façade and thick walls keep the property cool during the hot summer months of the Costa Blanca. An ideal primary residence or investment opportunity for luxury and business rentals.
