OVERVIEW

Spacious house with a beautiful garden and pool for sale in a privileged area in Montemar Alto.

A beautiful garden with a one-hundred-year-old olive tree welcomes us to this wonderful brick house in Montemar Alto. It is a very practical and well thought-out house, ready to move into, with open spaces and good materials.

The main floor is very well distributed, with a clear separation between the living room and the dining area and the kitchen. The spacious living room has a fireplace and large wooden windows that open onto an L-shaped terrace with views of the garden and the sea in the distance. The kitchen is spacious and equipped with a comfortable dining table. This floor is completed by a toilet and a double bedroom that is currently used as an office.

The first floor offers 4 double bedrooms, all very bright and spacious. One of them has fitted wardrobes next to the entrance and a relaxation area. Two bathrooms complete this floor.

On the lower floor there is a large games room or summer room equipped with a toilet. There is also a laundry area and parking for one car. Just outside there is another outdoor parking space.

From this room we access the magnificent garden with a pool, with a part suitable for children. Without a doubt, it is the ideal place to sunbathe. There is also a pergola for barbecues.
