€2,500,000 House / Villa - Sold

Exclusive villa for sale in the most private area of Bellamar

Spacious 7-bedroom house with a large garden with a pool and panoramic views of the sea and the mountains, for sale in Bellamar.

This house, built in 1991, is located in the area that is currently considered the most private in Bellamar. It is in a cul-de-sac with just 3 neighbours, so it enjoys absolute peace and quiet.

The house is located on a plot of 2,125 m², one of the largest in Bellamar. Thanks to its elevated position, it offers spectacular views of the sea and the mountains.

The house is distributed over 2 floors and a basement. On the ground floor we find a spacious living room with sea views and access to the terrace and pool. The living room is connected to the fully equipped kitchen and with lots of natural light. This floor also has 4 double bedrooms that share 2 complete bathrooms and the master bedroom with a complete private bathroom.

On the second floor there is a spacious loft with high quality furniture and access to the terrace, a bathroom, an office and a gym that could be used as another bedroom.

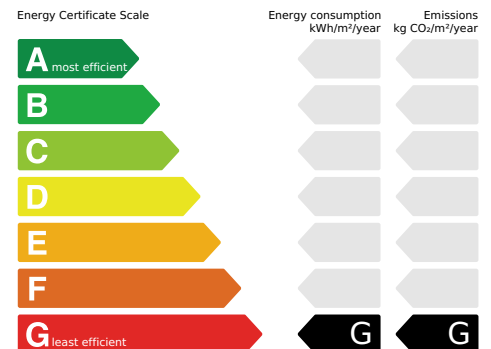

The basement houses a service bedroom, another bathroom, a laundry area with all the necessary machinery and a huge area that, due to its size, could be used as a play area or a studio for recordings or photo sessions.

This house would be ideal for people who appreciate nature and privacy. It would be great for musicians, thanks to the great space in the basement, or as an investment. Contact us for more information.
