OVERVIEW

Modern 3-bedroom penthouse located 2 streets back from the sea in the most exclusive private community of Gavà Mar.

This modern 118 m² penthouse with a 15 m² terrace was built in 1996 and the building was renovated in 2017, with a new lift installed. It enjoys a great location in Gava Mar, just 2 streets back from the beach, in a high-end residential community with a communal pool, barbecue area, tennis court and an extensive garden as well as a restaurant. An underpass connects the community directly to the beach without having to cross the road.

From the entrance hall of the penthouse we can reach both a large living room of 35-40 m² with a cosy fireplace for moments of relaxation, and the private terrace where you can relax on those balmy summer evenings or have breakfast al fresco.

From the entrance hall we can also access a large fully equipped kitchen of approximately 20 m². Looking towards the terrace, on the left we have the night area with 3 spacious double bedrooms with deep wardrobes and 2 complete bathrooms.

The large and private community area offers more services than any other community in Gava Mar and is, in part, what makes this such a special property.
