OVERVIEW

3-bedroom house with beautiful views, restored to an excellent standard whilst preserving its character and warmth, for sale in Orriols.

This newly renovated townhouse is located in the centre of Orriols, a beautiful medieval village in Bàscara. Despite undergoing full renovation, the original stones and other elements including doors and iron details have been preserved to create a typical village home with modern touches.

The house is distributed across two floors. We are welcomed into the property on the ground floor by a bright entrance hall. Next is the master bedroom with its full bathroom and an interior courtyard that provides great light. This floor is completed by two further bedrooms, a bathroom, and a machine room and laundry room which are hidden behind a wooden wall.

An iron staircase leads up to the first floor. This floor reflects the history of the house, which was originally the town's cinema. Here we find a open space divided into three areas: a living room, dining room and fully equipped kitchen. This space has large windows that flood the room with natural light and at the same time allow you to enjoy views of the landscape. There is also a terrace where you can enjoy summer meals with views of Orriols castle.

An ideal opportunity for those seeking a charming home of the finest quality in Girona. Contact us for more information.
