In the basement there is a study, gym, sauna, temperature controlled wine cellar, staff quarters and a very spacious entertainment / cinema room complete with a bar and dance floor. The highlight of the basement however is the aquarium. A separate room with a large window at the far end that allows you to gaze in awe at the Koi Carp as they swim nonchalantly around the 3.5m deep pond. This is a unique feature to a very special property.

The gardens to this property are equally impressive, with a walk in infinity pool and a Cabane with a bar and bbq. The property also has a 4 car garage.
