A truly unique villa with amazing sea views situated on a private and secluded hill in the Algarve

This exclusive property is located on the highest point of the hills running along the coast, Serra do Algarve. It is blessed with amazing panoramic views over the coastline and sea and is set at one with nature in a tranquil spot.

The property comprises a 400sqm house and detached stone built guest house set in a 3900sqm mediterranean style landscaped garden. There is an additional 1200sqm plot that is available to buy separately and would be ideal for installing further sports facilities such as a tennis court.

The main house comprises a large entrance hall, a living room opening onto the terrace, a dining room with fireplace and access to the terrace, a large fully fitted kitchen / breakfast room opening onto a private patio with barbeque. There are three suites in the main house and a detached apartment. The guest house is self contained and has a kitchen, living room and bedroom.

The house has underfloor heating, air conditioning and two water heaters with capacity for 700 litres.

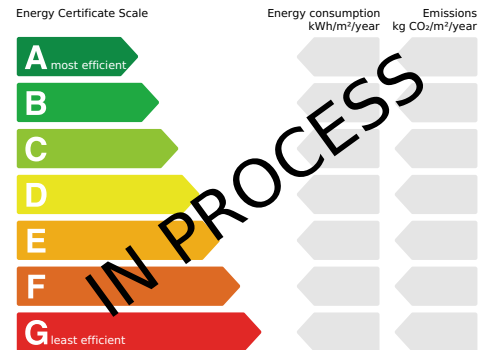

The grounds contain the 15m x 5m 'infinity' swimming pool with stunning views over the Atlantic and a pool house with barbecue and open kitchen. The property also has a sauna, electric gates with video entry system and a two car garage.

The location is perfect, in close proximity to a pretty village and within a 15km range of some of the most wonderful beaches and golf courses of the Algarve's Golden Triangle. Quinta do Lago, Vale de Lobo and Vilamoura (with its fantastic marina) are nearby. The city of Faro with its international airport is only 25km away.
