**A spacious and bright four bedroom villa with stunning views across the Palmela Village Golf resort and only a short drive to Lisbon**

A spacious and bright four bedroom villa with stunning views across the Palmela Village Golf resort and only a short drive to Lisbon The resort has been designed by the world famous architect Tomás Taveira and the houses nestle within the 18 hole golf course and have the stunning Arrábida Mountain range and ancient hill top town of Palmela as the backdrop.

This Model D villa has been thoughtfully layed out with a superb attention to detail. There is a large open plan living dining room on the ground floor which is flooded with natural light by the huge windows and looks out onto the private swimming pool and gardens. There is a fully fitted designer kitchen and the ground floor also has a double bedroom and a guest toilet/cloakroom. The upper floor of the villa has a further two double bedrooms, a family bathroom and large master suite.

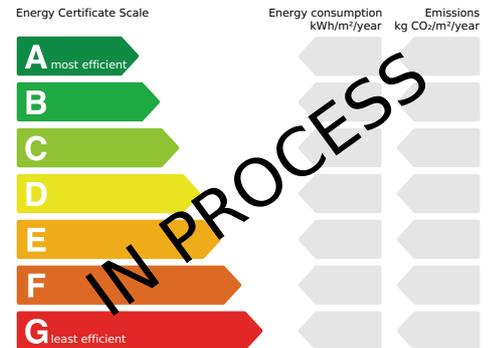

The sports and leisure facilites are superb at Palmela Village and centre around the 18 hole golf course designed by Jorge Santana da Silva. It is a challenging course which fits snugly into the natural surroundings and is a real joy to play. There are also 8 golf courses within a 30 minute drive of Palmela Village and a further 8 within one hour, making the area a superb choice for golf enthusiasts. The Palmela Village Resort also has many other facilites and services including shops, restaurants and a gym. The beauty of the Costa Azul region is that it is not just about golf and has so much more to offer.

Miles of unspoilt sandy beaches are close by and traditional Portugese towns and villages welcome visitors to expereince their history and culture - as well as their wine. Lisbon is only a forty minute drive away and has everything you might expect of a capital city - fine restaurants, museums, theatre, shops, hustle and bustle in the day and an lively nightlife
