OVERVIEW

Secluded garden with heated pool

Spacious detached villa in an excellent location in the sought after Aeira area of Cascais. Recently refurbished, this fine family home was originally built in 1989 to a high specification and is set in a landscaped garden complete with heated swimming pool and terrace.

On the ground floor the accommodation includes a large sitting room (85sqm) with an elegant wood burning stove with stone surround, elegant back lit shelving and French doors to the garden and pool.

The fully fitted kitchen (27sqm) includes high quality appliances and a pantry and has been carefully designed with a modern stylish feel. There is also a ground floor bedroom suite with fitted wardrobes and warm wooden floors.

From the ground floor the stairs rise to a light and airy landing (35sqm) with doors through to the master suite (39sqm) which includes a dressing room and French doors leading to a large sunny balcony.

The two further bedrooms (13sqm each) are also on the first floor and include fitted wardrobes and wooden floors.

Outside the secluded garden is mainly laid to lawn with trees and shrubs and includes a swimming pool and sun terrace. The box garage (32sqm) has plenty of room for 2 cars.

This is an excellent opportunity to acquire a fine property in a peaceful location close to Cascais and the Lisbon coast.
