A wonderful three bedroom apartment a short distance from the castle and with stunning views across the city of Lisbon

A wonderful three bedroom apartment a short distance from the castle and with stunning views across the city of Lisbon.

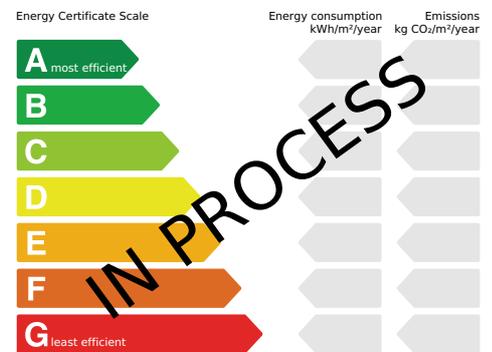

The apartment is located in a completely renovated building which is equidistant between the Castle and the Sé Cathedral. The apartment has been restored to a very high standard and features well proportioned living space and a homely feel. There are wooden floor boards throughout, air conditioning and an open fire as well as original features such as the "Cadeiras do Namoraodos".

There is a large open plan living dining room but the dining room has a very clearly defined area. This room features two very large windows with panoramic views across the city to the Ponte 25 de Abril and the Cristo Rei. There is also a small study area of this room which is perfect for an office. Two large double bedrooms have fitted wardrobes and their own individual bathrooms and then there is a very spacious master suite with views to the Sé. The kitchen is modern and well designed and comes with all appliances. The apartment also has a separate lock up area which is perfect for storage and large enough to garage a moped.

The Castle area is one of the oldest and most sought after areas of the city. Sitting high on the hill it benefits from fabulous views around every corner, cobled streets and historic architecture. There are also many restaurants and bars for evening entertainment but the area is generally quiet and the more lively areas of the city are an easy ten minutes walk away. There are good transport links with metro, trams and buses all within a short distance.
