OVERVIEW

Modern 4-bedroom designer apartment with stunning river views in the ever popular Lapa district of Lisbon

Modern four bedroom designer apartment with stunning river views in the ever popular Lapa district of Lisbon

This new apartment is located within a closed condominium which is due for completion in February. It has been built to an extremely high specification and will be unique for this area of Lisbon. The apartment has a large spacious living/dining room which leads out onto a south facing balcony. The balcony has views across the communal gardens to the river, the Cristo Rei and the 24th April Bridge. The apartment comes with a fully fitted stylish designer kitchen and fully equipped with all appliances. The apartment has a master suite, three further bedrooms and a family bathroom. All the bedrooms have fitted wardrobes. The apartment has central heating and air conditioning throughout and the apartments come with the latest demotic system, alarm and video entry. Three car parking spaces are allocated to the apartment.

The location of the apartment could not be better being only 2 kilometres from the historic city centre of Lisbon with its shops, restaurants and café culture. It is also within walking distance to the design centre area of Santos which is young and vibrant as well as the more upper class Lapa area with its grand hotels and embassy buildings. There are excellent transport links with rail, bus and tram connections nearby as well as superb road access to the coast and the large business parks which are on the edge of the city.
