villas.

Estoril is the neighbouring town to Cascais and although close in proximity, has a very different feel. Estoril is more of a holiday resort than its neighbour and has many five star hotels and a famous Estoril Casino. It also has the Estoril Circuit which is home to the Portuguese Moto GP and its own golf course.

Estoril property, much like that in Cascais is of a very high quality and caters for all tastes. There are beach front apartment blocks with communal pools and higher up, in the hills around the town, spacious villas and houses overlook the beautiful bay.
