OVERVIEW

1,000 m² property on a 2 hectare plot with fantastic sea and vineyard views, less than 20 minutes from central Barcelona.

Built in 2004, this beautiful farmhouse-style house occupies one of the best locations in Alella with uninterrupted views across vineyards to the Mediterranean. The property features large rooms with high ceilings and has an elegant rustic-modern interior.

The main house is distributed over 3 floors. On the ground floor there is an entrance hall, a 60 m² main living-dining room, an open-plan kitchen with a secondary dining and seating area, a covered semi-outdoor dining area, a double bedroom suite, a guest bathroom, a laundry room and garage parking for 4 cars.

The first floor is reached using an attractive stone curved staircase and features a 60 m² master suite, and 2 further large suites, both with separate dressing rooms and terraces. On the lower ground floor there is a wine cellar/tasting room with fireplace, a squash court, various storage rooms and space for an indoor pool and gym.

Outside, the garden features a swimming pool and jacuzzi with spectacular views of the Mediterranean. With over 2 hectares in total, the land offers privacy and peace and has the potential for wine growing.

One of Alella's finest properties and all within 20 minutes of the centre of Barcelona.
