Exceptional luxury apartment on Paseo de Gracia Barcelona's most desirable street

Stunning 3 bedroom designer apartment renovated to the highest standard on Paseo de Gracia with direct views of Gaudi's renowned masterpiece Casa Batlló. Unique interior design with bespoke finishes.

This spectacular 215m² apartment to buy in Barcelona is located on the city's most exclusive boulevard, Paseo de Gracia. Renovation was completed in 2006 and many would argue that the property itself is a true work of art. During the renovation process, materials of the highest quality were used and it has been decorated with antique finishes.

Stand-out features include the beautiful mosaic floor using tiles from Florence in the entrance hall; the bespoke gilded mouldings of the ceilings and walls were made by the same designers that carried out the restoration works of Barcelona's Liceo Opera; the floors are made from the resistant tropical wood 'tzalam', replicating the French parquet floors of the 18th century used in Versailles palace.

The entrance hall divides the apartment into two parts: the spacious living/dining area with views onto Paseo de Gracia and the bedrooms facing the interior courtyard.

The kitchen is equipped with an industrial stove and air extraction system. The floors and ceilings are covered with stainless steel. All the bathrooms have top quality finishes and state of art fixtures.

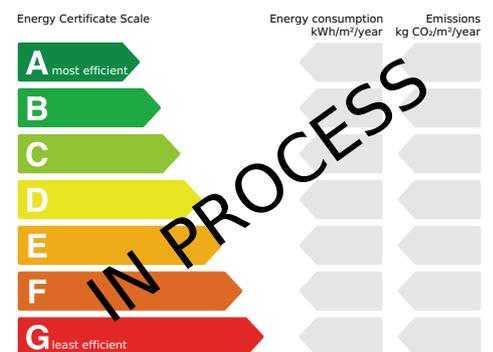

This is an opportunity to purchase a unique property, located on Barcelona's most desirable street, that combines an exquisite interior design and modern comfort.
