OVERVIEW

This outstanding fortified estate is situated on a 20,000m2 plot with a garden, forest and parking for 500 vehicles. Includes a 16th century tower, chapel and main house of 2,840m2 plus other outbuildings.

The estate "Can Coll" covers an area of approximately 2 hectares with several buildings that measure a total of 3,340 m2.

Among these buildings is a magnificent fortified tower, dating back from mid-16th century. A wonderful chapel at the foot of the tower was built in the same century in honor of San Vicente and Santa Clara. The impressive main residence of 2,840m2 includes Italian style ornamental wall paintings from the 18th century.

The main property has many rooms: dining rooms, bedrooms, bathrooms, pantries, game room, reading room, ballroom, wine cellar, etc.

This unique architectural complex is surrounded by landscaped gardens with swimming pool, fronton courts and other buildings, as well as a splendid forest that is part of the estate.
