OVERVIEW

Квартира с 3 спальнями в Валенсии в престижном жилом районе Эль Пда дель Ремей

This fabulous property is strategically situated in the heart of Valencia, between the Alameda and the Pla del Remei in one of the most highly sought-after areas of the city.

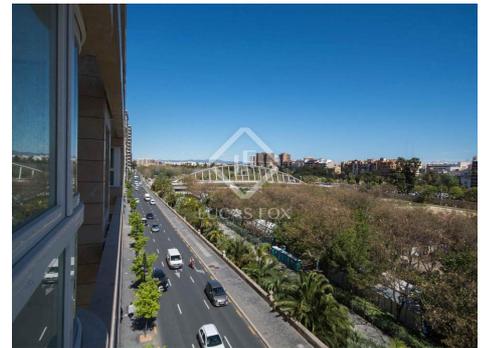

The apartment is situated on a corner (between the Alameda and Plaza de América), providing abundant light throughout the morning. It boasts fantastic views over the city, the Puente de las Flores and the "Ciudad de las Artes y las Ciencias".

The building has been decorated by the renowned interior designer Vicente Navarro and boasts extremely high quality finishes, including the spectacular entrance hall, worthy of a great hotel.

Massive concrete slabs between the floors provide large, airy living spaces without pillars, and the ceilings are higher than normal for a modern building.

The property is extremely quiet due to the thick walls, sound proofing and quadruple glazing. It boasts many impressive features such as underfloor heating, zoned air conditioning, Carrara marble, Finnish oak wood parquet flooring, a SieMatic kitchen and a domotics system.

There is an independent alarm system as well as 24 hour security, surveillance cameras and panic buttons in the communal areas.
