Spacious 3-bedroom apartment to renovate for sale in Sol, Madrid

Wonderful apartment to renovate with 7 balconies on a beautiful peaceful square next to the historical centre of Madrid.

This excellent spacious apartment is located in a building dating back to 1859 overlooking a lovely peaceful public square next to Madrid's historic centre. It is a classic style property with many original features and great renovation potential.

The current layout offers an entrance hall with 2 bathrooms and a kitchen to the left and a living room and 3 bedrooms to the right, all with balconies overlooking the square.

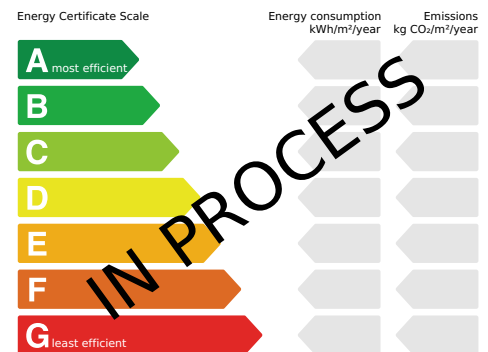

The renovation project suggests changing the layout to create an entrance hall with an en-suite bedroom and a guest bathroom to the left, an open plan living room, dining room and kitchen to the right, as well as 2 further bedrooms, one with an en-suite bathroom.

This is an exciting project in a great area of the city; ideal for families and investors due to the scarcity of properties in this highly sought-after neighbourhood.
