### OVERVIEW

**Apartment with impeccable modern design, plenty of natural light and beautiful views of one of Madrid's most emblematic streets.**

This apartment is located in a classic building dating back to 1900 in the neighbourhood of Salamanca in the Goya area; an excellent location. It is on a high floor and has 7 balconies, so it receives a lot of natural light and offers beautiful views of one of the most important streets of Madrid.

Upon entering the property through the hall, on the right there is a toilet and access to the spacious living room with an open kitchen. On the left are the 3 double bedrooms with private bathrooms.

The apartment is presented in excellent condition, ready to move in, with an unbeatable design and a lot of style. It also has air conditioning, a parking space and storage room.

It would be perfect for families, since it is in a very welcoming area. It would also be a good option for investors given that there is high demand for new homes and it would offer good returns.
