OVERVIEW

Newly renovated apartment in a classic building on Calle Maria de Molina, a beautiful street in Madrid city centre.

This 135 m² apartment is situated on Calle Maria de Molina, one of the most sophisticated streets in the Salamanca area, surrounded by beautiful villas and just a short stroll from La Castellana, Gregorio Marañón metro station and El Corte Inglés.

The property is completely renovated in a contemporary style and situated on a 4th floor of a classical building with stunning views of the skyscrapers of Madrid. Due to its high position in the building it has lots of light and the spaces are open and airy.

On entering the property we find a hall that leads us to the spacious, open living area, to the right, with 2 large windows, abundant light and views of the beautiful houses on Maria de Molina. Next to the living area is the semi open kitchen. On the opposite side we find 3 airy bedrooms, 2 of which have ensuite bathrooms and there is a third complete bathroom for guests.

An ideal option for a family or investor looking to acquire a renovated home in an area where properties are highly sought after.
