OVERVIEW

Beautiful property in a classic building at the heart of Almagro, with an exceptionally large living room with 7 balconies overlooking the street.

Spectacular apartment completely exterior facing, located in the best area of the prestigious neighbourhood of Almagro, in a classic early twentieth century building with a concierge service.

It is a very bright home with 7 balconies overlooking the street and beautiful views of a convent. Upon entering we find a hall, which leads to a wonderful large living room-dining room with various different areas. To the side are the kitchen and a guest bathroom, and via a corridor we reach the 3 bedrooms. One of them has a private bathroom, while the other two share a second bathroom.

This wonderful apartment would be ideal for families who want to live in the heart of Almagro. It would also be a good option as a second residence.
