OVERVIEW

Bright, spacious property with renovated interiors and an enviable location at the heart of Madrid.

Behind the classic façade of this building in Argüelles, very close to the Royal Palace and Plaza España, we find this modern, renovated 172 m² apartment with 3 bedrooms and 2 bathrooms.

Despite being situated on the first floor, the property enjoys lots of light and has been completely renovated to offer wide, airy and open spaces with 3 balconies overlooking the street.

The living and dining area is spacious and bright, with views of the classic Madrid buildings in front and the bedrooms include a master suite with the same views and a private bathroom. A second complete bathroom and a guest toilet complete the layout of this apartment.

This excellent contemporary style apartment would make an ideal home for a couple or family, very close to the Old Town and with very good transport links to the rest of the city. Investors may also seize this opportunity to acquire this apartment for short-term rentals.
