OVERVIEW

Apartment with 3 bedrooms and 3 bathrooms with great renovation potential, located on one of the best streets in Justicia, Madrid.

This apartment is located in a beautiful classic building dating back to 1900 on a quiet tree-lined street, one of the best streets of the Justicia district, overlooking an old convent.

Upon entering we find the entrance hall. On the left is the kitchen, with a toilet and a pantry; in front we find the dining room, and on the right is the living room with several balconies facing the street. A bathroom is also found in the living area. Following a corridor we reach the 3 bedrooms and the 2 bathrooms, which are at the rear of the property.

The property requires complete renovation and can be reorganised to adapt it to the preferences of the new owner. For example, you could move the kitchen to the current dining room and open it up to the living room, to create an open plan living area.

This apartment would be ideal as a second residence or for investors, since it is in a highly sought-after area.

Do not hesitate to contact us for more information or to arrange a visit.
