Great new loft property with a terrace for sale in Prosperidad

Newly renovated, airy, luxury loft property with a large terrace for sale in Prosperidad, Madrid.

Located in Madrid's coveted Prosperidad neighbourhood, this brand new development offers exclusive 6 loft-style properties for sale.

The building exudes urban elegance from the onset with its steel entrance door and an electric glass-fronted lift. Inside the lofts we see industrial style finishes such as polished concrete floors, large windows and exposed metallic beams that remind us of the building's past as a factory back in 1955.

This particular loft property has a surface area of 135 m² including a 42 m² terrace. On entering the property we find a spacious living room and dining area with an open plan kitchen. Also on this level is a room with an ensuite bathroom. The upper floor has a large private terrace. The layout of the property is to be decided by the client and adapted to suit their personal lifestyle with the number of bedrooms and bathrooms that they require.

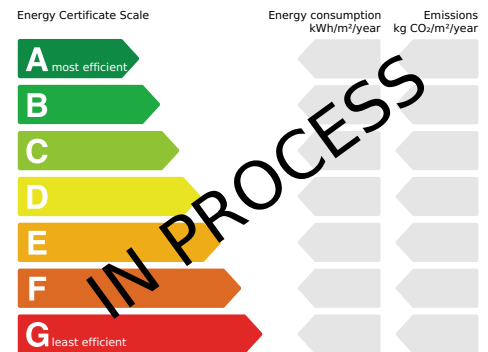

The kitchen is finished with Corian worktops and high-end appliances while the bathrooms boast excellent quality sanitary ware and highly modern aesthetics. What's more the properties in this development boast a high level of energy efficiency with underfloor heating and extra large, well insulated windows. Parking spaces are also available for sale separately.
