OVERVIEW

Renovated apartment with the best quality finishes and beautiful views of the neighbourhood from its 2 balconies, for sale near the Virgen de la Paloma Church. With a tourist licence.

This beautiful apartment is for sale in a renovated building on one of the most famous streets of the La Latina neighbourhood.

It is an exterior-facing apartment with 2 balconies and no buildings obstructing the views, overlooking a wide street. This gives it a lot of natural light and provides beautiful views of the neighbourhood, including the Virgen de la Paloma Church and its bell tower. The property is presented in brand new condition as it has just been renovated with high quality materials and is delivered with completely new furniture.

The apartment consists of a living-dining room with an American style open kitchen with access to the first balcony, a large bedroom with the second balcony, another bedroom and a bathroom.

One of the highlights of this property is that it has a tourist license, so it would be ideal for investors or for those who want a second home that they can rent out while they are not in the city.
