OVERVIEW

Newly renovated property on a corner with 4 balconies overlooking the street, on the top floor of a beautiful classic building.

2-bedroom apartment in a beautiful classic building in the Chueca-Justicia neighbourhood.

The apartment has been recently renovated with excellent quality finishes and is located on the top floor of the building, on the corner and with four balconies facing the street.

We enter directly into the living room, which has an open kitchen in it. To the right of the entrance there is a bedroom and a bathroom, and to the left of the entrance we find the other bedroom with a built-in bathroom.

A fantastic option as a first or second residence or even as an investment given the great potential of the area for growth.
