## Exclusive renovated penthouse for sale with an excellent terrace, located in a classic building in the coveted Justicia area of Madrid

**Penthouse in perfect condition with unbeatable clear views, plenty of light and a terrace that is well connected to the living room thanks to the four patio doors, in a classic building.**

This excellent penthouse enjoys an unbeatable location in the heart of the prestigious Justicia neighbourhood, with excellent unobstructed views and in perfect condition in a very nice classic building.

A beautiful classic lobby leads us to a vintage lift that takes us up to the landing. We enter the living room directly, which is bright thanks to the four windows that open onto the terrace on the left.

From the living room, some stairs go up to a fantastic bedroom with its private bathroom that enjoys a lot of light. To the right and semi-open to the living room, is the kitchen with natural stone countertop, fully equipped and with paneled appliances. The corridor takes us to the bedrooms which are very bright and peaceful, overlooking a patio. Then there is a stone bathroom and a small bedroom with a private bathroom. At the end, there is the master bedroom, which includes a small living room, the sleeping area with the bed, a large dressing room and a bathroom.

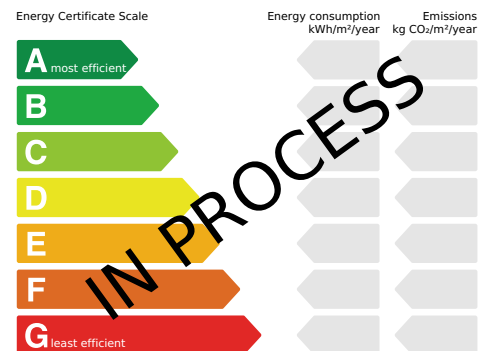

An elegant home, full of light and the luxury of a fantastic terrace in the Justicia neighbourhood. Perfect as a first or second home for couples, singles or young families.
