### OVERVIEW

## Newly renovated first floor apartment in a historical building in Justicia; a highly sought-after neighbourhood of Madrid.

First floor apartment of 89 m<sup>2</sup> in a historical building in an enviable location in the Justicia neighbourhood of Madrid.

Behind the rationalist façade of this building designed by a renowned Madrid architect, a magnificent marble entrance takes us through to the property which has an open plan living area composed of a living room with a large window overlooking the street and a modern open kitchen. To the left a corridor takes us to the single bedroom, a complete bathroom and the master bedroom with its en-suite bathroom.

The property is completely brand new with the best quality finishes and clear views over the peaceful street from the living area. It is perfect for couples, both young and retired, who want to live in a quiet, central, safe area with all services and transport options on the doorstep.
