OVERVIEW

2-bedroom apartment with 6 balconies and a parking space for rent in a restored mansion on Calle de Hortaleza in the Justicia neighbourhood, close to the city centre and all amenities.

We find this apartment for rent on the third floor of a restored 1800's stately mansion, formerly home to the Duke of Montpensier, on the best part of Calle de Hortaleza. Most of the original period features have been maintained in the building which give it a special charm. What's more, it has a community roof top terrace from which you can contemplate fantastic sunsets and views of Madrid.

As we step out, there are many fashionable shops, restaurants and the Alonso Martinez and Chueca metro stations all within a few minutes' walk. This vibrant environment makes it one of the most coveted areas in the city.

The apartment, measuring a total of 157m², has a spacious layout. As you walk through the door, there is a kitchen with a balcony that boasts natural light, and a hallway that leads to the rest of the rooms. Along the hallway we find 3 different storage rooms and 2 large bedrooms. The first bedroom is located at the front and the second towards the rear. Both bedrooms have a large classic window with a balcony, a built-in wardrobe and an en-suite bathroom for ultimate comfort. As we head to the end of the hallway, we are greeted by the living room with 3 additional balconies. The grand size of these balcony windows allow an impressive amount of light throughout showing you why this home was fit for a Duke.

There is wooden flooring throughout the property and hot and cold air conditioning is installed in every room.
