### OVERVIEW

## Unique semi-detached villa designed like the bow of a ship, with 5 bedrooms, 3 terraces and private pool overlooking the bay of Malaga.

The style of this villa is unlike any house you will have seen before. It is very close to the commercial area of Cerrado de Calderón, as well as its prestigious schools, and is guaranteed to exceed your expectations.

The plot is terraced and there is a large, flat area where the pool is located with its chill-out area and spectacular views of the bay of Malaga.

In spite of being on a sloped plot, access to the house is convenient as there is a lift and wide staircase which covers the entire property.

The house has two large terraces, one of which is on the upper floor, next to the bedrooms, and the other, a covered porch, on the lower floor of the house.

A fantastic lifestyle property with an unusual architectural style much like the bow of a ship.
