OVERVIEW

249 m² apartment, with incredible typical Malaga mosaic floors in a classic building by the architect Fernando Guerrero Strachan.

The building with two homes per floor is located in a quiet and central area of Malaga.

Upon entering, we find a very spacious lobby with access to the lounge, located in the corner of the building. In addition, there are two other living rooms on the southern façade and a dining room in the west.

After the living room, we see a corridor that leads to the four bedrooms, two bathrooms and the kitchen with its laundry area at the end of the hall.
