OVERVIEW

Very private villa with tremendous views thanks to its position, located in the highest part of the Candado area, Malaga.

The villa is located in a cul-de-sac, so it enjoys complete tranquility. In addition, it is surrounded by gardens and has a garage next to the house.

Upon entering the hall, we find the living room and the large kitchen, in addition to the stairs to access the upper floors.

Between the kitchen and the living room we have an access window, which would be easy to incorporate into the spacious living room. This lounge enjoys a fireplace and fabulous views of the sea through the large windows towards the garden area.

Next to the stairs to the upper floors, we have a pantry. Upon reaching the first floor, we find a large lobby with a spiral staircase to access the last floor and the entrance to the master bedroom, with its private bathroom, fitted wardrobes and its own balcony. After the corridor, there are three other bedrooms, two of them with balcony, and a large bathroom.

A spiral staircase takes us to another bedroom with access to the large terrace that covers the house, from which we can enjoy 360 degree views.

The living room doors offer access to the meticulous gardens surrounding the house. In the western part, there is a storage room and an additional bedroom, as well as a toilet.

The pool is located in the south of the house, next to the gardens.
