OVERVIEW

Recently renovated house located 6 minutes from the El Palo seafront promenade and close to all the public services that the area offers.

This charming recently renovated 78 m² modern style house is located a few metres from El Palo beach, with all the amenities at your fingertips. It consists of a bedroom, a bathroom and an open-plan kitchen open to the living room with an island equipped with a ceramic hob.

Highlights of the property include the high ceilings with wooden beams, which provide a feeling of spaciousness. For its renovation, the best materials have been used such as double-glazed aluminum windows, doors, wooden floors, tiles and good quality bathroom taps.

The space has been well used with built-in wardrobes. The house has a 5 m² interior terrace from which you can access a solarium by means of an iron spiral staircase.
