OVERVIEW

Modern apartment with 2 bedrooms and 1 bathroom for sale in a renovated old warehouse building in the historic centre of Malaga.

In one of the quietest pedestrian streets in the capital of Malaga, we find this old commercial building that, after complete renovation, offers us some of the most modern homes in Malaga.

The apartment is on the first floor of this renovated building. Upon entering, we find a spacious living room with its American-style kitchen. Sliding doors separate the day and night areas. Behind the doors, we find the first of the bedrooms, then the bathroom and finally the master bedroom.

In terms of design, the apartment has a modern design with an industrial air. With regard to the equipment, new construction materials have been used to achieve an exclusive home, with excellent thermal insulation. The kitchen and bathroom are fully equipped.
