OVERVIEW

Modern luxury villa set on a plot of 1,339m² in the prestigious residential complex Condes de Luque (Capanes Sur), on the Costa del Sol.

This villa has been built using the art of symmetry, with modern lines, shapes and forms, innovative and eye-catching architectural features, a stylish restricted colour palette and convenient and logical interior layout.

Windowed walls and panoramic glass doors add to the feeling of spaciousness. The best elements of classic, art deco and even futuristic architectural design have been combined in the creation of this stylish home.
