### OVERVIEW

## Minimalist luxury villa with a mature garden and swimming pool in the exclusive Los Arqueros area of Benahavis.

The Los Arqueros development presents this exceptional luxury villa with an ultra modern design based on clean lines, the clever integration of glass into the structure and minimalist interiors with natural materials and a neutral colour scheme.

Calm, space and light are three words that summarise the pleasant atmosphere in this property with fabulous views of the Mediterranean Sea and the hills.

On the ground floor we find a very generous open-plan living and dining area with a fitted, minimalist kitchen. There are 4 bedrooms and 5 very contemporary design bathrooms in the house and a sauna and garage in the basement. Outside we find an attractive, mature garden with a wonderful swimming pool and 2 jacuzzis. The property benefits from an intelligent home system with interactive spaces. A lift connects the different floors.

This sensational luxury home provides a private bubble away from the worries of everyday life and yet is very conveniently located within easy reach of everything, including Marbella Town, Puerto Banus, the golf course and the beach.
