## 2-bedroom first floor apartment to buy in luxury Estepona development.

**Sleek, modern first floor apartment with 2 bedrooms and a magnificent open-plan living space and terrace in an exclusive new development in Estepona.**

This first floor property is set within a sleek, modern gated community with landscaped gardens and gorgeous views of the Costa del Sol.

The kitchen, dining room and lounge are all in a spacious open-plan area that is the heart of the home and the indoor and outdoor living spaces merge when the large sliding doors to the terrace are opened.

There are also 2 double bedrooms and 2 beautiful contemporary bathrooms in this particular first floor apartment.

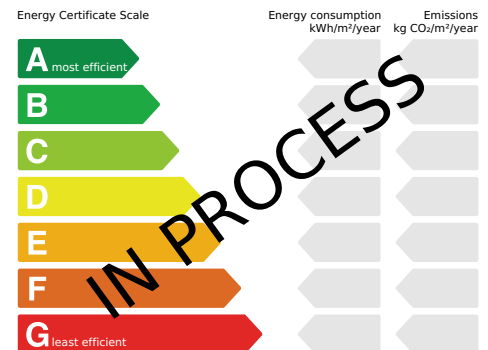

Natural light and views can be enjoyed from the property thanks to the large windows and the finest wood, stone, marble, glass and brushed steel finishes have been used along with cutting edge technology. As with all of the properties in this community, the apartment has a garage parking space and a storage room.

This private gated community offers security and fabulous communal areas including carefully landscaped gardens, two swimming pools – one designed like a beach – and a beautiful chill-out panoramic rooftop lounge complete with luxurious Balinese beds with views out to Marbella's La Concha Mountain and the Mediterranean Sea.
