4-bedroom villa with a large garden for sale in Mijas, Marbella

High quality villa for sale in one of the most sought after and exclusive residential areas of Mijas, on the Costa del Sol.

In a highly prestigious gated community, 5 minutes from the picturesque white-washed town of Mijas, we find this excellent, south-facing villa for sale. Electric gates open up to allow us to park in the 2-car garage or take the pedestrian entrance.

On entering the generous 2,500 m² plot we see the extensive, wrap-around garden with its many features such as many terraces, a pond with water features, an orchard, lawned and landscaped areas and a magnificent 9m x 5m infinity pool.

The ground floor of the house welcomes us through a spectacular double height entrance hall with a sweeping, curved staircase and vaulted ceilings. This hall leads us to the split level living room with a fireplace and direct access to the garden and pool. Moving on we find a separate dining room and a dual aspect kitchen with a central island and high-end appliances. Also on this floor are a utility room, a cloakroom, 2 en-suite double bedrooms and a bedroom that is currently used as a study. Most of the rooms on the ground floor enjoy access to the terrace or garden.

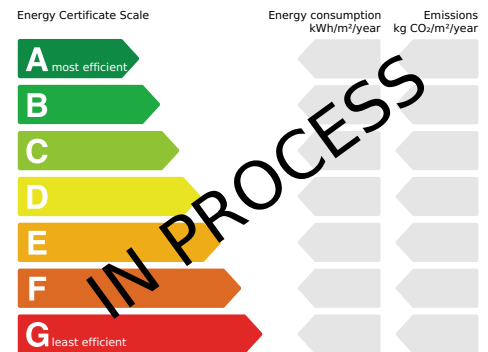

Upstairs we find the incredible, spacious master suite which contains a bedroom, sitting area, dressing area and a new bathroom with special features like the free-standing bathtub, rain shower and twin wash basins. The master bedroom has its own terrace with pleasant views.

As one might expect of a villa of this calibre, it is fitted with air conditioning, complete alarm system, solar panels, double glazing and under floor heating.
