OVERVIEW

This beautiful 8-bedroom house is the essence of Mediterranean luxury living. It is located in one of the world's most sought-after addresses, the stunning 900-hectare La Zagaleta gated community.

Designed to offer the very best in modern living and entertaining, features include an outdoor infinity pool and indoor spa area with gym, heated pool, hot tub, sauna and Turkish bath. A games room, cinema and wine cellar are also on hand for enhanced family fun or getting together with friends.

Breathtaking panoramic views can be enjoyed from outside by the pool, or from inside where floor-to-ceiling glass and double-height living areas perfectly frame the countryside, the coast, the sea and Africa beyond.

Flexibility is assured with a 2-bedroom guest wing and 1-bedroom staff apartment, both with their own entrances. A second kitchen ensures smooth efficiency during events, while the secluded position, generous plot and 24-hour security ensure maximum privacy and peace of mind.

The La Zagaleta community offers its residents and members a range of private facilities including a country club with swimming pool and tennis courts, 2 world-class golf courses and a private equestrian centre. There is an on-site heliport and a red-carpet service provider to cater for just about every need.
