OVERVIEW

A fantastic opportunity to buy an excellent 2-bedroom, 2-bathroom apartment just 450m from the beach in Mijas.

This brand new property is part of a new development due to be finished by the end of 2018. The building, inspired by waves, with curved roof tops and white facades offers great views of the Mediterranean whilst the apartment will be finished to the highest standards using brands such as Duravit, Hansgröhe, Technal, Porcelanosa, Zampieri, Saloni and Kaldewei.

The apartment will consist of an entrance hall, from which you can access the kitchen and utility room to your right, while straight ahead is the living-dining room with direct access out onto the terrace.

To the left of the corridor is the night area with 2 large bedrooms (1 en-suite with access to the terrace) and another bathroom. Both bedrooms will have large double-glazed windows, allowing for plenty of natural light.

On the acquisition of this great property, you will be entitled to a 1-year platinum membership to the luxury facilities at the Double Tree Hilton which includes sports facilities (for example swimming pool and tennis courts), spa and Michelin-starred restaurant.
