## Luxury 3-bedroom apartment with a terrace for sale in New Golden Mile

**3-bedroom first floor property with a large terrace in a stunning new development in truly desirable location on the New Golden Mile, Estepona.**

We find this stunning 3-bedroom first floor property within a highly exclusive gated development which occupies a prime seafront plot of some 20,000 m<sup>2</sup> on the New Golden Mile. With unrivalled, uninterrupted views, this is the ultimate beach property with just 6 exquisitely designed blocks.

Only the finest quality, impeccably-crafted contemporary interiors have been used within this generously sized 3-bedroom property of 409 m<sup>2</sup> with a 28 m<sup>2</sup> terrace.

Specially designed tiles have been used throughout the property and it is possible to view the breathtaking scenery reflected even when you turn away from the window.

The fantastic floor-to-ceiling windows make the terrace a natural extension of the interior living area, filling the home with the warmth and natural light from the Mediterranean sea and sky. This ultra-high quality modern design achieves the perfect living space.

This home comes complete with state-of-the-art fully fitted smart controls, hot and cold air conditioning, a natural lighting system, complete installation of a sound system with concealed speakers, and high level security to the complex and each condo by fingerprint.

Each of the homes includes a minimum of 3 large parking spaces, with direct access to a private basement-storage area that is connected to the home directly by private lift.

This is a project like no other on the Costa del Sol and offers a unique opportunity for lovers of this exquisitely beautiful stretch of coastline.

Contact our sales team now for further details of this property in a prime Estepona development.
