OVERVIEW

Semi-detached home with private pool for sale with views of the sea and Barcelona skyline, in peaceful Maresme town of Teia.

Semi-detached, south-facing brick house with amazing views of the sea and Barcelona skyline, in the privileged Vinya area of Teia, a pleasant neighbourhood just a 20-minute drive from Barcelona City. This peaceful residential neighbourhood of the Maresme Coast leaves you just a short drive away from the beach, international schools and all amenities.

Built in 1988, this 5-bedroom house would be ideal as a family home with only a little updating required. The lovely low maintenance garden provides privileged private outdoor space including a swimming pool with a children's security entrance, a sea view porch, barbecue area and a chill out area with cool, lush vegetation providing plenty of shade.

On the main floor we find the entrance hall with a built-in wardrobe. The hall leads us to the split level dining room and living room with a fireplace and access to a shaded terrace with sea views.

The kitchen provides an informal dining area and a separate laundry room. Also on this floor are an office with a built-in wardrobe and a guest bathroom with a shower.

The first floor offers the master suite with an ensuite bathroom with a double sink and bathtub and access to a terrace with beautiful sea views. There are 2 further double bedrooms, one of which has built-in wardrobes and a single bedroom, also with built-in wardrobes. A complete bathroom with a double sink and a bathtub completes this level of the house. Finally, we find a 3-car garage in the basement.

An excellent family home with spacious interiors, a great private garden and pool and far-reaching views in a peaceful Maresme neighbourhood.
