OVERVIEW

Magnificent country estate with 13 hectares of private land, 150 stables and a large 7-bedroom house with a swimming pool. Located in inland Marseme and ideal for commercial or residential use.

This outstanding equestrian estate with 13 hectares of private land, 150 stables (8 m² stalls) and a large 7-bedroom house with an outdoor pool, enjoys a beautiful natural setting in the inland Maresme area with views of the surrounding green hills and partial sea views.

It is located 20 minutes from the pretty town centre of Sant Andreu de Llavaneres and 60 minutes from Barcelona city. The beaches, golf courses and train service of the Maresme Coast are also within very easy reach.

The property was built in the 1988 and is currently a fully operational business. The main floor of the house offers dining areas for 30-60 people, a lounge, industrial kitchen spaces, bathrooms, offices and porches. The first floor offers 7 bedrooms and 2 bathrooms. The second floor accommodates a catering hall.

It has great renovation potential and endless options for redistribution of the spaces. On the ground level we find the restaurant restrooms and, outside, abundant parking space, a charming lake-shaped pool and the equestrian facilities which include 150 stables, 6 tracks, a snack shop and a complete riding school. There is a total of 40,000 m² of track space, a covered dome and a green track for the polo centre, built amongst all buildings and sports annexes which total a built area of approximately 5,000 m².

A superb property for commercial or residential use. Ideal for families or investors looking to run a boutique equestrian hotel in a beautiful natural setting for example.
