OVERVIEW

Lucas Fox is pleased to present this impressive detached villa, "Encinar", on a wonderful on a 1,700 m² plot in a great location in the exclusive Monteclaro development.

Monteclaro is a highly sought-after gated community which has 24-hour surveillance and is great for families because of its social club which hosts swimming pools, cafeterias, a football field and tennis and padel courts.

Monteclaro is always in high demand because of its proximity to the Everest School, allowing children to walk or cycle to school alone and the availability of public transport at the very entrance of the development with frequent direct buses to Majadahonda, Pozuelo and the centre of Madrid.

This property has been renovated and modified to a high standard by the current owners. The standout features include an elevated pool deck with chill-out zone, a covered outdoor dining area complete with barbecue and grill and a very large covered porch.

We enter the property through a lovely front garden, which hosts a large covered parking area for 2 cars on the right, into a elegant large reception hall with built-in closets and bathroom to the left.

Turning right from the entrance hall, we enter a very large open plan living and dining room, which connects directly to a lovely covered porch with 4 different seating areas; the room is filled with an abundance of natural light through windows with views to both front and back garden. From the dining area we have direct access to the large and fully equipped kitchen, which also hosts a pleasant breakfast area. Adjacent to the kitchen we find a laundry area.

From the entrance hall to the left we have a secondary living room which is currently set up as a TV-room.
