Lucas Fox is pleased to present exclusively this wonderful modern design villa of 950 m² on a 2,600 m² flat plot in the highly sought after and exclusive area of Las Lomas.

This fantastic family home was built in 2005 and completely refurbished by the current owners in 2018. Stand out features include the very large living room with a fireplace, the wonderful landscaped garden with an infinity pool, the multipurpose sports court and a very spacious master bedroom with a walk-in closet and terrace overlooking the garden.

The house is equipped with a state-of-the art home automation system, underfloor heating and air-conditioning through central ducts.

We enter the property through an automatic gate into a private driveway that either leads us to the underground parking garage with space for 4 cars or to an outdoor covered parking area next to the house with easy access to the kitchen and service area.

Through an impressive front door we are welcomed into a spacious reception hall which provides access to the living room, the dining room and the kitchen. Moving left we step into a very large living room which boasts a double height ceiling in areas and provides direct access to the covered porch, which stretches alongside the whole rear of the house.

Between the living room and dining room we find a charming fireplace and, continuing to the right from the dining room, we step into a modern fully equipped kitchen with high-end appliances. From the kitchen and dining room we can also access the porch directly.

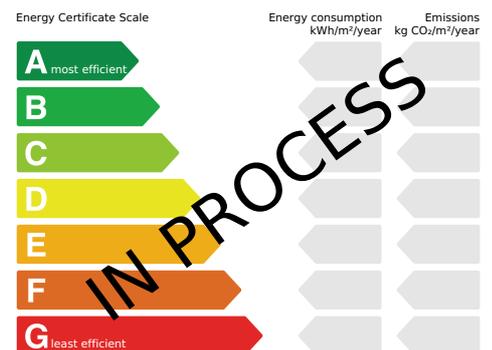

This floor also hosts a guest bedroom with ensuite bathroom, a large family / TV room and a guest toilet.

A central staircase leads us to the first floor which has a very practical layout. On the right we find two large bedrooms with ensuite bathrooms and multipurpose room, ideally set up to share as a play / study room. On the left we find a very large master bedroom with a walk-in closet, an ensuite bathroom and private terrace with great views over the garden.
